Desk Calendars from only 44c* each

A great gift which will promote your business!

Have your desk looking 'smicko' for the new financial year with a personalised set of desk calendars and desk pads.

No more forgotten appointments or excuses for missing your mother-in-law's birthday with these 'stylin' desk calendars.

They make a great gift which will promote your business all year round, and for as little as *44c each, you can even afford to give your mother-in-law one!

You and your clients can doodle themselves stupid with these desk pads.

They are a great marketing ploy to keep your brand in the minds of your astute customers and ranging in sizes from A2, A3 and keyboard size, they will look tailor made to any desk.

Send in your artwork or for a small fee we can design a masterpiece for you that will suit your needs.
